

## **Benefactors for the Future of Interior Design**

I and/or my company/organization wishes to demonstrate support for the profession of Interior Design by being a benefactor of the California Legislative Coalition for Interior Design (CLCID) on its Web site, which serves and is accessible to the entire interior design profession in California.

**Please accept my check or credit card for \$100 (or more) and add the following information to CLCID's Benefactor Web page on [www.clcid.org](http://www.clcid.org). I understand that the information will be on the Web page for one year as a gesture of our resolve to safeguard the future of professional Interior Designers in the state of California.**
